

Clinical pharmacology meeting tomorrow's health care challenges

Saturday June 29

13:00	Clinical Pharmacology Trainees meeting	21 sessions 6 workshops 6 slots for sponsors etc
16:00		
17:30	Reception at Stockholm City Hall	
19:30		

Sunday June 30

9:00	Poster presentations		
10:00	PS1. Welcome and introduction; Clinical pharmacology reaching out - 25 years with EACPT EACPT president professor Ylva Böttiger		
10:20	Plenary lecture; KI president professor Ole Petter Ottersen: Global health research and education in Europe - how can clinical pharmacology contribute?		
11:00	Refreshment		
11:20	Plenary lecture; Professor Harry Sokol: Gut microbiota: a new actor in pharmacology?		
12:00	Lifetime achievement award and lecture; Professor Urs Meyer: Therapeutic Lessons from Human Individuality		
12:40	Lunch		
14:00	S2a: Treating cancer I	S2b: Treating children	S2c: Chronic disease I Cardiovascular prevention
15:20	Coffee		
15:40	S3a: Treating cancer II	S3b: An ageing population	S3c: Chronic disease II Psychopharmacology
17:00			
17:10	Satellite symposium	IUPHAR geriatric subcommittee symposium	BCPT Nordic Prize in Basic & Clinical Pharmacology & Toxicology
18:30			

Monday July 1

7:00	EACPT run		
8:00	Workshop 1: How to perform a health economic study	Workshop 2: How to measure drug exposure?	Workshop 3: How to make an oral presentation and feel good about it?
8:50			
9:00	S4a: Closing the money gap I	S4b: EPHAR-EACPT joint symposium on personalised medicine	S4c: Preparing tomorrow's prescribers
10:30	Coffee		
11:00	S5a. Closing the money gap II	S5b: Advanced therapies	S5c: Interprofessional exchange for better drug treatment
12:00			
12:30	Lunch		
13:30	Poster presentations		
14:30	Plenary debate; Prescribing vs deprescribing		
15:10	Coffee		
15:30	S6a: Targeting small populations	S6b: The critically ill patient	S6c: Misuse of medicines
16:50			
17:00			

18:30	Satellite symposium	BPS symposium	EACPT council meeting
19:30	Congress dinner		
23:30			

Tuesday July 2

8:00	Workshop 4: Clinical use of pharmacokinetics	Workshop 5: Publish or perish	Workshop 6: EuroDurg on drug utilisation
9:00	Group meetings (EuroDurg, Education, Regulatory, UEMS etc)		
10:00	S7a: Antimicrobial resistance	S7b: EACPT meets Asian societies	S7c: Patient empowerment for better drug treatment
11:30	Lunch		
12:30	Poster presentations		
13:30	S8a: Drug regulation in the 2020's	S8b: Clinical drug research of tomorrow	S8c: Clinical pharmacologists versus computers
14:50			
15:00	Award lectures and closing ceremony		
16:00
